About 1,098 search results for "2249-2569"

Literature

Books	0	books and reports
MeSH	2	ontology used for PubMed indexing
NLM Catalog	1	books, journals and more in the NLM Collections
PubMed	1	scientific & medical abstracts/citations
PubMed Central	56	full-text journal articles

Health

ClinVar	1	human variations of clinical significance
dbGaP	1	genotype/phenotype interaction studies
GTR	0	genetic testing registry
MedGen	1	medical genetics literature and links
OMIM	0	online mendelian inheritance in man
PubMed Health	0	clinical effectiveness, disease and drug reports

Genomes

Assembly	4	genomic assembly information
BioProject	0	biological projects providing data to NCBI
BioSample	0	descriptions of biological source materials

Genes

EST	0	expressed sequence tag sequences
Gene	9	collected information about gene loci
GEO DataSets	2	functional genomics studies
GEO Profiles	0	gene expression and molecular abundance profiles
HomoloGene	0	homologous gene sets for selected organisms
PopSet	53	sequence sets from phylogenetic and population studies
UniGene	0	clusters of expressed transcripts

Proteins

Conserved Domains	0	conserved protein domains
Protein	0	protein sequences
Protein Clusters	0	sequence similarity-based protein clusters
Structure	0	experimentally-determined biomolecular structures

Chemicals

BioSystems	22	molecular pathways with links to genes, proteins and chemicals
------------	----	--

### International journal of humanities engineering and pharmaceutical sciences.

Title(s): International journal of humanities engineering and pharmaceutical sciences.

Other Title(s): International research journal of humanities, engineering & pharmaceutical sciences

Publication Start Year: 2011

Country of Publication: India

Publisher: Delhi : Pratima Prakashan

Language: English

ISSN: 2249-2569 (Print)  
2320-2955 (Electronic)  
2249-2569 (Linking)

Electronic Links: <http://www.ijheps.org/>

Notes: Also issued online.

NLM ID: 101637724 [Serial]
